26th November, 1952.

Dear Professor Lederberg,

I am enclosing herewith a reprint of a recent letter to Nature by Dr. Felix and myself.

Many thanks for the last batch of reprints you sent me. I should be very grateful if you would continue to keep me abreast of whatever you publish in bacterial genetics.

I hear that Spicer is enjoying himself in your laboratory. Please give him my best wishes.

With kind regards,
Yours sincerely,

A handwritten signature in cursive script, appearing to read 'E. S. Anderson'.

E. S. Anderson

Professor J. Lederberg,
Department of Genetics,
University of Wisconsin,
Madison, Wisconsin, U.S.A.
